        Re: United State of America v. Joseph Nardone, Sr.
                Civil Action No. 03-327 (JLL)

Your Honor:

        I am an Assistant United States Attorney in the Financial Litigation Unit (FLU), whose responsibilities include the collection of fines and restitution. On or about June 22, 2009, our office was served with the letter motion of defendant Joseph Nardone, Sr., seeking to modify his restitution Order. Defendant's previously requested a two week extension of time to respond to the Nardone letter motion. I write to respectfully request an additional 5 day extension of time until Friday, July 24, 2009. I make this request because multiple depositions in another matter were re-scheduled throughout this past two weeks and the current week, leaving me little in-office time to complete my response. A short extension of time will allow me to complete a comprehensive reply to Mr. Nardone's motion. I contacted Mr. Nardone's attorney to obtain consent for this request, however he is out of office on a mediation today. I will follow up with Mr. Nardone's attorney tomorrow.

        In light of the above, I respectfully request a five day extension until July 24th to submit the response and objection to Mr. Nardone's letter motion. I sincerely apologize for an inconvenience herein.

                                        Respectfully submitted,
                                        RALPH J. MARRA, JR.
                                        Acting United States Attorney
